Department of Environmental Quality
Southwest Regional Office

STATEMENT OF LEGAL AND FACTUAL BASIS
Administrative Amendment

Masco Builder Cabinet Group Merillat Atkins Plant 14
249 Mulberry Lane, Atkins, Virginia 24311
Permit No. SWRO11075
Effective Date: January 1, 2007
Expiration Date: December 31, 2011

As required by 40 CFR Part 70 and 9 VAC 5 Chapter 80, Masco Builder Cabinet Group has applied for an administrative amendment to the Title V Operating Permit for its Masco Builder Cabinet Group Merillat Atkins Plant 14 facility. The Department has reviewed the application and has prepared an administrative amendment to the Title V Operating Permit.

Engineer/Permit Contact: _____ Date: April 24, 2008

Air Permit Manager: _____ Date: April 24, 2008

Regional Director: _____ Date: April 24, 2008

REQUESTED AMENDMENT

On December 17, 2007, the Southwest Regional Office received a request from Masco Builder Cabinet Group for an administrative amendment to the Title V operating permit for the Merillat Atkins Plant 14 facility located at 249 Mulberry Lane, Atkins, Virginia.

REASON FOR AMENDMENT

Due to a merger by consolidation of companies, the permittee requests a facility name change to Masco Builder Cabinet Group Merillat Atkins Plant 14, effective January 1, 2008. The parent company continues to be Masco Corporation.

APPLICABILITY OF 9 VAC 5-80-200

9 VAC 5-80-200 A.2. indicates administrative permit amendment procedures are required for identification of a change in the name, address, or phone number of any person identified in the permit, or of a similar minor administrative change at the source.

CHANGES TO TITLE V OPERATING PERMIT

The permit will be revised to reflect the new facility name of Masco Builder Cabinet Group Merillat Atkins Plant 14. Effected citations will be revised as to the issuance date of an amendment to the minor New Source Review (NSR) permit for the facility name change.

PUBLIC PARTICIPATION

As required by 9 VAC 5-80-200.B.2, administrative amendments shall be incorporated into the permit without providing notice to the public or affected states. Therefore, a public notice is not required.

As required by 9 VAC 5-80-200.B.3, a copy of the amended permit will be submitted to the United States Environmental Protection Agency.
